

KEEPING

Joel 2:23

"Rejoice, you people of Jerusalem!
Rejoice in the LORD your God!
For the rain he sends demonstrates his faithfulness.
Once more the autumn rains will come,
as well as the rains of spring."

Well I have to be honest I don't always feel like rejoicing when it's raining here but God IS faithful!

So Praise the Lord!

Despite some initial delays the volunteers have literally just completed pouring the concrete footings for the new dining room extension before the weather has really turned.

With the coming Autumn/Winter period in mind, the volunteers have also been busily working on preparing the sports barn complex, replacing cracked and leaking roof/sky lights and repainting the exterior timber cladding.

A new solar panel/battery storage solution has also been installed at TRAC this summer.

An array of roof mounted solar panels feed an array of wall mounted batteries during the (typically quieter) midweek period which is then seamlessly available for use during peak periods (typically weekends) helping to reduce our ongoing utility costs which have risen considerably in recent years.

Additionally, the main kitchen now has two new electric ovens, the dining room and conference centre a new boiler, the main car park now has a Pod Point Electric Vehicle charging outlet and all of the timber lodges now have Guest Wi-Fi available throughout.

Please do continue to pray that for the weather, health, safety, wisdom, strength and resources to complete the dining room extension in good time for next year.

As ever, we really thank you for your ongoing prayers and support during 2025.

See you all in 2026!

God Bless!

Joe Aldridge

Psalm 125:4

“LORD, do good to those who are good, to those who are upright in heart.”

*We hope this gives you an insight into what's going on at TRAC and where your gifts and donations are going.
